

Refillable capsules for Illy® capsule coffee machines

Instructions for use

Tips to use:

- use ground coffee as you would prepare the espresso or with slightly thicker grinding
- do not use very fine ground coffee,
- do not press the coffee into the capsule too much

The lifespan of the product:

One capsule is intended to be used a minimum of 80 times. The product can be used until the rubber seal in the cap has become broken, or the water passes through the lid. After do not use the product anymore, choose a new one.

Kit contains:

- 2x plastic capsule, 2x plastic lid with a rubber seal, 2x plastic-stainless sieve, 1x plastic spoon, manual.
- Made of food polypropylene (BPA-free).

Instructions to use:

1. Fill the coffee up to the mark MAX and with a spoon, press the coffee gently. 2. Clean the capsule from excess coffee and close the lid.
2. Continue further as you would do with the regular capsule.
3. Ready. Enjoy the coffee exactly as you like it and save money :-)

Warranty and how to use the product

Products are covered by the standard statutory warranty period. This warranty is non-transferable and financial compensation in cash is not possible. The warranty does not apply to products that have been used in a manner other than that specified in these instructions for use.

The warranty also does not cover:

- Damage resulting from improper use, neglect of care, or any other use for purposes not listed in this manual.
- Damage to appearance, damage caused by corrosion or gradual wear and tear.

Any intervention or repair by unauthorized persons results in the voiding of the product warranty.
