Warranty and how to use the product

Products are covered by the standard statutory warranty period. This warranty is non-transferable and financial compensation in cash is not possible. The warranty does not apply to products that have been used in a manner other than that specified in these instructions for use.

The warranty also does not cover:

- Damage resulting from improper use, neglect of care, or any other use for purposes not listed in this manual.
- Damage to appearance, damage caused by corrosion or gradual wear and tear.

Any intervention or repair by unauthorized persons results in the voiding of the product warranty.
