

WACACO

Wacaco Minipresso KIT

Instructions for use

Warning

Read this instruction manual carefully before using the Minipresso KIT for the first time. This will prevent the risk of injury to health and damage to the device.

- Do not use the Minipresso KIT for any purpose other than that for which it was designed.
- After unpacking, make sure that the Minipresso KIT is intact.
- Keep the packaging material (plastic bag, etc.) out of the reach of children, as they may be a potential source of danger for them.
- Do not let children use or play with the Minipresso KIT.
- Do not place the Minipresso KIT on a gas or electric hot plate, in the oven, microwave or dishwasher.
- Use only clean water for cleaning, do not use any other liquid.
- Never heat water directly in the water tank of the Minipresso KIT. The water must be boiled using an external appliance such as a kettle and then poured into the water tank.
- Clean the Minipresso KIT carefully and regularly after each use.

Safety

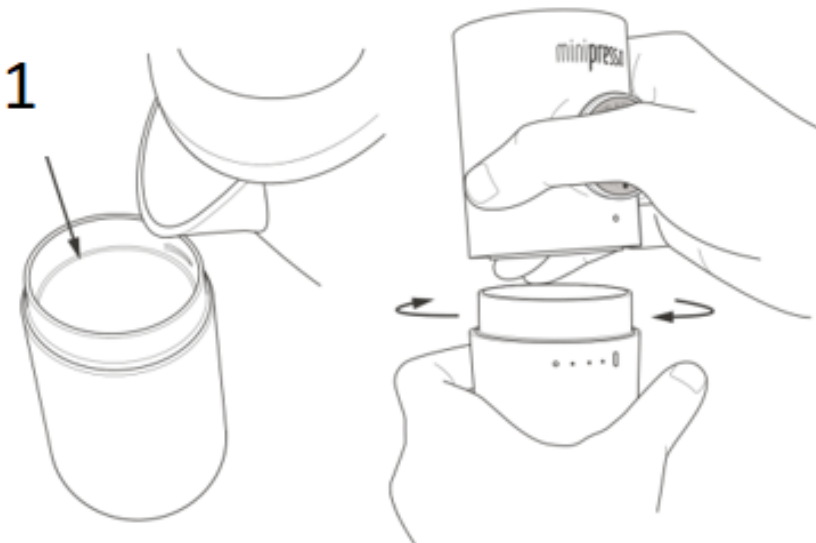

The Minipresso KIT meets all safety standards for use in contact with food.

Environmental protection

All packaging parts and the body of the Minipresso KIT are made of recyclable materials.

User manual

Fill the water tank according to the risk. Align the body of your Minipresso with the dot on the tank and place it on the tank by turning it clockwise.

1. Don't cross this mark with water

Cleaning

Regularly rinse all parts of the minipresso KIT under running water after each use. Allow the individual parts to dry separately.

Disposal

The Minipresso KIT is made of high-quality materials that can be reused or recycled. After use, dispose of the Minipresso KIT in an appropriate waste collection point.

Warranty and how to use the product

Products are covered by the standard statutory warranty period. This warranty is non-transferable and financial compensation in cash is not possible. The warranty does not apply to products that have been used in a manner other than that specified in these instructions for use.

The warranty also does not cover:

- Damage resulting from improper use, neglect of care, or any other use for purposes not listed in this manual.
- Damage to appearance, damage caused by corrosion or gradual wear and tear.

Any intervention or repair by unauthorized persons results in the voiding of the product warranty.

Seller and importer: NajTrade s.r.o., Húskova 31, 04023 Košice, IČO: 50590502.
